Dear Gertrude Waldgrave,

Thank you for your kind donation of 50 Gold Pieces.  
This gift will aid the Theology Department in its mission.

Your request for the diploma and dissertation of  
Dr. Alfonso Ultima has been recieved as belonging to  
the highest priority, and we have worked at great haste to  
fulfill it.

Despite our best efforts, we were unable to locate  
either of the documents you requested in our records. In  
1015 a small fire broke out in our office, and while no  
one was hurt, some of our prize-winning theses were destroyed.  
It is possible Dr. Ultima's was one of these.

We were, however, able to find some documents  
connected to him. The List of Graduates for 1013, along with  
the 1010 Societies and Clubs Circular both list an Alfonso  
Ultima. We have enclosed both in copy in hopes that they  
might assist you in your research.

Sincerely Yours,

Gourdaxe University
