

HE HAS SPOKEN
TO SOME AND HIS WORDS
ARE WISE!

BY ALONSO ULTIMA, S.J.

For decades and years I too
sift through dark shadows in
hearts of my letters at a foolish
mental. I too triumphed at the
dangers of those forgotten halls.
But at length, miracle of
miracles, I came at last into the
great chamber, and at the table,
he spoke to me:

I AM GOD
I MADE THEE, AND
THOU BELONGEST
UNDER MY BIDDING

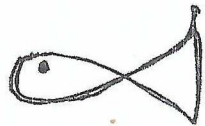

At that I surely trembled, and
forgot my whole mismatched life
'fore me, that mighty
fists before me.

Don't forget, I urge you:
join me in doing God's
bidding!

God has great riches and brings
them to him that desires them!
For if God can speak to the
heart of a humble, much poorer
like me, that of what he may
say to you, who is surely
wiser and more worthy.

Join me in doing God's
bidding!
